Exhaust Nut for Cylinder Head (Dnepr)
Part #: MT801508
Vendor ID: 550
List Price: €3.69
(moto-boxer.com)

Exhaust Screw Flange (Dnepr)

Sometimes split or damaged on older bikes when corrosion gets into the threads. They are a soft alloy so if you are having trouble removing your old ones, don't just keep applying more pressure. Soak in a good release agent for several nights first, then use a little local heat from a blow dryer before trying to get them off. Use plenty of copper grease when fitting new ones.
Vendor ID: F23410/D
List Price: £16.00
(www.f2motorcycles.ltd.uk)

Exhaust Pipe Nut for Cylinder Head (MT-9, MT-10, K-650, MT-11, MT-16)
